WIFE TOO ILL TO WORK IN BED MOST OF TIME

Her Health Restored by Lydia E. Pinkham's Vegetable Compound.

Indianapolis, Indiana. — "My health was so poor and my constitution so run down that I could not work. I was thin, pale and weak, weighed but 103 pounds and was in bed most of the time. I began taking Lydia E. Pinkham's Vegetable Compound and five months later I weighed 133 pounds. I do all the housework and washing for eleven and I can truthfully say Lydia E. Pinkham's Vegetable Compound has been a godsend to me for I would have been in my grave today but for it. I would tell all women suffering as I was to try your valuable remedy."—Mrs. Wm. GREEN, 322 S. Addison Street, Indianapolis, Indiana.

There is hardly a neighborhood in this country, wherein some woman has not found health by using this good old-fashioned root and herb remedy. If there is anything about which you would like special advice, write to the Lydia E. Pinkham Medicine Co., Lynn, Mass.

Last Saturday morning this section was visited by the first light freeze of the season, at which time considerable thin ice was seen and frost was heavy enough to kill all tender vegetation. This is not far from the average date for a killing frost here which came last year October 16.

Ed Seymour of Jackson was a visitor here for a few days last week. Hon. W. R. Kinney of Brownsville, democratic nominee for the senate from Haywood and Fayette counties, was in Somerville Wednesday looking after matters in connection with the campaign. He thinks every thing looks good for democracy throughout this section if democrats will just go to the polls on election day. This is certainly the danger point in Fayette county and he says it is elsewhere. Democrats beware of such lethargy and vote on November 7.

WEAK, AILING CHILD

Made Strong By Delicious Vinol
Lakeport, N. H.—"Our little girl 8 years of age was in a debilitated, run-down condition and had a stubborn cough so she was weak and ailing all the time. Nothing helped her until we tried Vinol. Then her appetite increased and she is strong and well, and I wish other parents of weak, delicate children would try Vinol."—Geo. A. COLLINS.

This is because Vinol contains beef and cod liver peptones, iron and manganese peptones and glycerophosphates which she needed.

Statements that may be investigated. Testimony of Somerville Citizens. When a Somerville citizen comes to the front, telling his friends and neighbors of his experience, you can rely on his sincerity. The statements of people residing in far away places do not command your confidence. Home endorsement is the kind that backs Doan's Kidney Pills. Such testimony is convincing. Investigation proves it true. Below is a statement of a Somerville resident. No stronger proof of merit can be had.

J. G. Knox, State St., Somerville, says: "I suffered from pain and lameness across the small of my back and I got so bad I couldn't stoop to tie my shoes. My kidneys acted too freely and I had to get up at night to pass the secretions. Lights seemed to flash before my eyes and I was often dizzy. It didn't take Doan's Kidney Pills long to rid me of all these troubles. I know that I am doing the right thing in recommending them to other kidney sufferers."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Knox had. Foster-Milburn Co., Props., Buffalo, N. Y.
